

FOR IMMEDIATE RELEASE

The 2018 Homearama at Catalpa Farms

Awards of Excellence and People's Choice Grand Award Winners Announced!

Homearama's 51st year has sadly come to a close, but was it ever a BIG one! Open from July 14 – 29, **Homearama** at Catalpa Farms enjoyed some of the highest attendance we've ever seen, and offered Louisvillians a true event experience via trendy, inventive and inspired homes, as well as live entertainment and craft beer!

With that said, we were excited to recognize some outstanding craftsmanship and design ingenuity at today's **Homearama Awards** luncheon at Big Spring Country Club. Please see below for a list of our **Awards of Excellence** winners and the much-coveted **People's Choice GRAND Awards!**

Congratulations to all of our winners, as well as every builder, designer and contractor who participated in the 2018 **Homearama!** We already can't wait for next year!
